

INSPECTION CHECK LIST

On receipt of your doors (and other items if applicable) please check through the list of items below.

You must inspect your system carefully on arrival as we are unable to accept claims for breakages, scratches or other damage after delivery. The driver will ask you to tick each item as you inspect it and you must sign to confirm the items are in satisfactory condition and fit for purpose. Our drivers expect you to thoroughly inspect the goods and will be able to help you to do this.

1. Packaging

I have inspected the packaging and there are no obvious signs of damage.
